LETTER FROM THE PRESIDENT

I am really very happy for your presence here!
The Ancona World Conference is a unique event to spread the message of Ozone Therapy to the entire world.
We are happy to host the most excellent speakers from China, Japan, Europe, USA, South Africa, Latin America and many other colleagues from Italy, joined in a sole meeting like a big Family of Scientists, Clinicians and Experts with a huge experience in the field of Ozone Therapy.

OUR UNITY WILL BE OUR STRENGTH!

In these days all the eyes from all over the world will look to us!

The last news on ozone in Medicine, in Veterinary and in Dentistry will be presented at the higher level of excellence. All the most recent evidences and uses of ozone in the different fields of medicine will be discussed by the world's leaders in Ozone Therapy.

Round Tables and Workshops will be organized during the meeting.

Congredior, the Organizing Secretariat, will help you organize very interesting tours in our Region (Loreto, Recanati, Wineries of Rosso Conero and Verdicchio) and in the most beautiful Italian cities like Florence, Venice or Rome.

I Thank you again for being here in Ancona and I hope you could enjoy the conference and the workshops.

Your friend and colleague,
Lamberto

SCIENTIFIC TOPICS:

State of the Art in Ozone Therapy
Ozone in Orthopaedy and Neuroradiology
Ozone in Veterinary
Ozone in Dentistry
Ozone in Internal Medicine and Oncology
Ozone in Aesthetics and Dermatology
Ozone in Musculoskeletal Pain and Rare Illnesses
Ozone in Gerontology and Aging

SCIENTIFIC PROGRAM

Friday - September 22nd

08:00-09:00 Registration

09:00-09:30 Inauguration Ceremony

Authorities: Marco Lucchetti, Antonio Mastrovincenzo, Edoardo Menichelli, Francesco Merloni

09:30 Lecture "The man on the way to immortality" - **Franco Rustichelli**

9:45 Opening Lecture "Concept of Integrative Medicine" - **Lamberto Re**

10:00-13:00 I SESSION

STATE OF THE ART IN OZONE THERAPY

Chairmen: Heinz Konrad (Brazil); Renate Viebahn (Germany); Robert Rowen (USA); Dario Apuzzo (Italy)

10:00 Lecture "Ozone Therapy for Viral Hepatitis - what can be expected"
Speaker: Heinz Konrad (Brazil)

10:20 Lecture "Systemic ozone applications, MAH and Rectal Insufflation, evaluated according to the International classification of Evidence-Based Medicine. A new basis for reimbursement of medical expenses by private and social insurances"
Speaker: Renate Viebahn (Germany)

10:40 Lecture "Medical and technical requirements for medical ozone generator devices"
Speaker: Valter Travagli (Italy)

11:00 Lecture "Ozone mechanism of action on Herniated Disc: clinical and instrumental data"
Speaker: Dario Apuzzo (Italy)

OPEN COFFEE ☕

11:15 Lecture "Posturology and Ozone: What we must know and what we must do"

Speaker: Stefan Tiron (Romania)

11:30 Lecture "Analysis of the efficacy of ozone therapy on different types of lumbar disc herniation: a new guidance is coming?"

Speaker: He Xiaofeng (China)

11:45 Lecture "Hyperbaric Ozone"
Speaker: Robert Rowen (USA)

12:00 Lecture "Life quality study in relation to alternative infusion solution: conventional versus glucosate"
Speaker: Mauro Martinelli (Italy)

12:15 Discussion on:
i) "Ex vivo" ozonization vs "in vivo" dynamic ozonization following Nazarov;
ii) Normobarism vs hyperbarism systemic ozone therapy;
iii) Alternative infusion solution (ozonizad saline; ozonized glucosate)
Discussants: Valter Travagli (Italy), Heinz Konrad (Brazil), Dario Apuzzo (Italy), Renate Viebahn (Germany), He Xiaofeng (China), Robert Rowen (USA), Stefan Tiron (Romania), Mauro Martinelli (Italy)

12:30 WFOT Assembly ("Aula Didattica" Room)

13:00 - 14:00 LUNCH 🍴

14:00-17:00 II SESSION - OZONE IN ORTHOPAEDY AND NEURORADIOLOGY
Chairmen: Carlos Contreras (Costarica); Anibal Grangeat (Argentina); Fabio S. Araimo Morselli (Italy), Gabriele Tabaracci (Italy), Alberto Alexandre (Italy)

14:00 Lecture "Failure Back Syndrome: clinical experience with ozone paravertebral and synthesis material withdrawal (transpedicular screws)"
Speaker: Ofir Betancourt (Venezuela)

14:15 Lecture "Combination of ozone and MSC to repair the intervertebral disc"
Speaker: Anibal Grangeat (Argentina)

14:30 Lecture "Our experience in Costa Rica in the treatment of Disc Herniation"
Speaker: Carlos A. Contreras (Costarica)

14:45 Lecture "The use of ozone in the treatment of interventional pain"
Speaker: Nurettin Lüleci (Turkey)

15:00 Lecture "Ozone therapy in the treatment of spinal cord injury. A retrospective analysis of 25 cases"
Speaker: Xirezati Abudukeremu (China)

15:15 Lecture "Treatment of Radicular Compression by Ozone Therapy and the Treatment of Spondylodiscitis by Ozone Therapy"
Speaker: Ramiro Alvarado (Bolivia)

15:30 Lecture "Ozone, PRP and Ozone + PRP in elderly patients with gonartrosis"
Speaker: Lale Yeprem (Turkey)

15:45 Lecture "Scientific Evidence of Ozone Therapy in Chronic Pain"
Speaker: Jose Baeza Noci (Spain)

16:00 Lecture "Disc Lesions treated with Ozone in Pakistan: experience of 23000 cases"
Speaker: Umair Rashid Chaudhry (Pakistan)

16:15 Lecture "The importance of Chiropractics in Clinical Rehabilitation"
Speaker: John Williams (Italy)

16:30 Discussion
Discussants: Fabio S. Araimo Morselli (Italy), Jose Baeza Noci (Spain), Gianni Pellicanò (Italy), Matteo Bonetti (Italy), Gabriele Tabaracci (Italy), Xirezati Abudukeremu (China), Umair Rashid Chaudhry, (Pakistan), Lale Yeprem (Turkey), Alberto Alexandre (Italy), John Williams (Italy)

17:00 Oral Presentations
Francesca Giovannangeli (Italy), Lorenzo Stangoni (Italy), Marco Rascaroli (Italy), Maria Emilia Gadelha Serra (Brazil)

OPEN COFFEE ☕

PARALLEL SESSIONS

17:30-19:30 III SESSION

OZONE IN VETERINARY

Chairmen: *Janghair Akbar (UAE); Paolo Scrollavezza (Italy); Adriano Caquetti (Brazil); Marco Polettini (Italy)*

17:30 Lecture "Use of Ozone in bone pathologies of the dog"
Speaker: Paolo Scrollavezza (Italy)

17:50 Lecture "Veterinary Ozone Therapy Practice in Brazil"
Speaker: Adriano Caquetti (Brazil)

18:10 Lecture "Ozone Therapy and Blood Stem Cells"
Speaker: Marco Polettini (Italy)

18:30 Oral Presentations
Speakers: Eduardo Flores Colín (Mexico); Susana Gabriela Gayón Amaro (Mexico)

19:00 Discussion
Discussants: Paolo Scrollavezza (Italy), Janghair Akbar (UAE), Adriano Caquetti (Brazil), Marco Polettini (Italy), Eduardo Flores Colín (Mexico), Susana Gabriela Gayón Amaro (Mexico)

17:30-19:30 IV SESSION

OZONE IN DENTISTRY

Chairmen: *Phil Mollica (USA); Gerardo Tricarico (Italy); Maria Emilia Gadelha Serra (Brazil)*

17:30 Lecture "Integration of Ozonated Water in Dental Medicine"
Speaker: Phil Mollica (USA)

17:50 Lecture "The use of ozone in the treatment of head, neck and temporomandibular joint dysfunction"
Speaker: Bob Harris (USA)

18:10 Lecture "Ozone Therapy in Periodontal Disease"
Speaker: Gerardo Tricarico (Italy)

18:30 Lecture "DNA Analysis of Root Canal Teeth and Cavitation Surgery of Sockets Utilizing Ozone Water Irrigation A Pilot Study"
Speaker: John Rothchild (USA)

18:50 "Ozone Therapy in Dentistry: Recognition from Brazilian Authorities"
Speaker: Maria Emilia Gadelha Serra (Brazil)

19:10 Discussion
Discussants: Gerardo Tricarico (Italy), Bob Harris (USA), John Rothchild (USA), Phil Mollica (USA)

Saturday - September 23rd

9:00-11:00 V SESSION - OZONE IN INTERNAL MEDICINE AND ONCOLOGY

Chairmen: *Karla Tratsk (Brazil); Bernardino Clavo (Spain); Federico Berni (Italy)*

9:00 Lecture "High dose ozone therapy (OHT)"
Speaker: Johann Lahodny (Austria)

9:15 Lecture "Ozone therapy in the management of side effects of cancer treatments"
Speaker: Bernardino Clavo (Spain)

9:30 Lecture "Detection of Circulating Tumor cells and intervention with Systemic Ozone Therapy hematic"
Speaker: Yasuhiro Shimpuku (Japan)

9:45 Lecture "Ozone Therapy as treatment for severe cases without good evolution in ophthalmology"
Speaker: Karla Tratsk (Brazil)

10:00 Lecture "Can Ozone Therapy be considered as an integrative therapy in oncology?"
Speaker: Serena Zancla (Italy), Paolo Tordiglione (Italy)

10:15 Discussion
Discussants: Karla Tratsk (Brazil), Emma Borrelli (Italy), Johann Lahodny (Austria), Yasuhiro Shimpuku (Japan), Federico Berni (Italy), Paolo Tordiglione (Italy), Serena Zancla (Italy), Maria Emilia Gadelha Serra (Brazil)

11:00-11:30 COFFEE BREAK ☕

AESTHETICS AND DERMATOLOGY

Chairmen: *Michele Angelo Farina (Italy); Eugeny Nazarov (Ukraine); Eugenio Luigi Iorio (Italy)*

11:30 Lecture "Guide lines for the best management of all forms of topic Ozone Therapy in diabetic food ulcer"
Speaker: Michele Angelo Farina (Italy), Claudia Cardoso (Brazil)

11:45 Lecture "Oxidative stress, aesthetics and ozone therapy: the role of biological markers"
Speaker: Eugenio Luigi Iorio (Italy)

12:00 Lecture "Adaptive rejuvenation as the basis of the therapeutic effect of the systemic ozone therapy"
Speaker: Eugeny Nazarov (Ukraine)

12:15 Lecture "Ozone, PRP and other Autologous Therapies"
Speaker: Ruhi Çakır (Turkey)

12:30 Lecture "Pain relief in viral infections. What role does ozone play?"
Speaker: Carmela Imperiale (Italy)

12:45 Discussion
Discussants: Michele Angelo Farina (Italy), Eugenio Luigi Iorio (Italy), Eugeny Nazarov (Ukraine), Ruhi Çakır (Turkey), Claudia Cardoso (Brazil), Fabio S. Araimo Morselli (Italy), Carmela Imperiale (Italy)

13:30 – 14:30 LUNCH 🍴

14:30-17:00 VII SESSION – OZONE IN MUSCULOSKELETAL PAIN AND RARE ILLNESSES

Chairmen: Ahmad Al Jaziri (UAE); Raoul Saggini (Italy); Tarek Tanbouli (Egypt)

14:30 Lecture “Controlled Study of the efficacy ozone therapy Fibromyalgia, system of a randomized controlled trial”

Speaker: Ziad Fahmy (Germany)

14:45 Lecture “Application of ozone therapy in urological case”

Speaker: Sinan Ekici (Turkey)

15:00 Lecture “Ozone sauna, effect of ozone on fetal birth weight whatever the cause, diabetic foot”

Speaker: Tarek Tanbouli (Egypt)

15:15 Lecture “Hashimoto's Chronic Thyroiditis Treated with Systemic Ozone Therapy”

Speaker: Frank Hernandez Rosales (Cuba)

15:30 Lecture “Methotrexate + Medical Ozone combined therapy in Rheumatoid Arthritis. From experimental models to clinical trials”

Speaker: Olga Sonia Leon (Cuba)

15:45 Lecture “Ozone as applicable to infections and particularly Ebola”

Speaker: Robert Rowen (USA)

16:00 Lecture “Oxygen Ozone Therapy in Interventional Rehabilitative Medicine”

Speaker: Raoul Saggini (Italy)

OPEN COFFEE ☕

16:15 Lecture “Ozone Therapy in Ethidium Bromide Induced demyelination in rats: possible protective effect”

Speaker: Mohga Adel Samy (Egypt)

16:30 Discussion

Discussants: M. Rascaroli (Italy), Z. Fahmy (Germany), T. Tambouli (Egypt), O. S. Leon (Cuba), R. Rowen (USA), V. Covi (Italy), A. Al Jaziri (UAE), R. Saggini (Italy), M. A. Samy (Egypt), F. H. Rosales (Cuba), M. E. G. Serra (Brazil)
